What replaces the ACE40?

Our Unidrive SP series can replace the ACE40 functionality. Unidrive SP's are state-of-the-art Digital Drives that offer many more internal features and a wide variety of option modules for a high degree of application flexibility. Unidrive SP's have a powerful on-board PLC capability using ladder logic and a rich function block library using SyPT Lite. Unidrive SP's can be setup using your Laptop or PC. Software for the Unidrive SP - CTSOFT and SyPT Lite are free!
